

Feel free to use these social media posts during Advocacy Action Day, or adapt them for your state association's Virtual Hill Day! For any posts on Twitter and Instagram, you should use the hashtags #SPAW2020, #NASPadvocates, and [your state's political hashtag](#).

**TWITTER:**

Today is NSPW Advocacy Action Day! Join me in advocating for increased access to school psychologists for students here and across the country. <http://bit.ly/NASPAAC> #FindYourFocus #NASPadvocates

Join me & school psychologists across the country today in telling Congress to support policies to address the shortage of school psychologists other school-employed mental health professionals <http://bit.ly/NASPAAC> #FindYourFocus #NASPadvocates

School psychologists are more important now than ever! In order to meet the mental health needs of our students, we need investment in the right professionals. Join @nasponline's Advocacy Action Day and tell Congress address the shortage of school psychologists. <http://bit.ly/NASPAAC> #SPAW2020 #NASPadvocates

**FACEBOOK:**

Today is National Association of School Psychologists' Advocacy Action Day! School psychologists across the country will be contacting their members of Congress to advocate for issues important to students across the country. These professionals have never been more critical to support our kids. Join me in advocating for increased access to school psychologists and more. <http://bit.ly/NASPAAC>

Join me & school psychologists across the country today in telling Congress to support legislation to increase access to school-employed mental health professionals for students across the country. <http://bit.ly/NASPAAC> #SPAW2020 #NASPadvocates
